### Swimming and Water Safety:

At Mawgan-in-Pydar School we are committed to providing a thorough approach to ensuring that all children are proficient and confident swimmers over a distance of at least 25m. If children have not met this standard by the end of year 4, they are required to continue their swimming provision until this standard is met. In addition to this, and due to the coastal nature of the locality, we also utilise the RNLI's 'Hit the Surf' Beach/ Water safety sessions on a regular basis.
